Such link should be terminated at the designated port of Bank's routers at DC and DR.</p> <p>Bidder may quote the cost of backhaul setup, recurring cost of router port at VSAT HUB, and cross connect charges as separate line item along with commercial bid. The cost of said line items will not be considered for selection of L1 bid, however, if more than one bidder quote for above items, then Bank reserve rights to use the cost of backhaul and its components for comparison between these bids, if required.</p>
