To,

All Eligible Vendors.

**(Sub: Procurement and Installation of Cisco Licenses for enabling BGP in Cisco 881 routers)**

Dear Sir,

Please send your competitive quotation along with broacher for Procurement and installation of **"SL-880-AIS Advance IP Services Image Feature Licenses"** in Cisco 880 series routers uses in bank's remote branches. Closed and Competitive quotation should be delivered on or before 5<sup>th</sup> Dec 2017, 4 p.m.

**Terms of Procurement and installation:**

1. The licenses should have validity of **"Life time"**.
2. Number of Licenses will be 200 (in 2 phases, 100 in each phase).
3. Routers are in used at remote branch locations and are connected by 32Kbps VSATs. All deployment of licenses should be done remotely from Head Office at Bhubaneswar.
4. Propose of procurement of this license is to enable BGP in Cisco 881 routers. Vendors may propose for any type of correction to the license name or number to fulfill the requirement.
5. Bank cannot share login credential with Vendor. However, Bank network team will help the vendor to login to the router for remote license deployment using TFTP server.
6. Vendor has to setup a local temporary TFTP server using a local PC or Server available at Head Office. All deployment from the server should be done remotely.
7. Vendor may either provide their engineer for deployment of licenses or may help bank's network staff by training them on procedure for deployment of licenses. In both the cases, Vendor will be responsible for successful deployment and operational of licenses. Bank will check for activation of BGP support in routers.
8. Below is the abstract of existing licensing details in Cisco 881 router.
